## THE CORNERSTONE STYLES

NEW FOR 2020. Today's designs are influenced by the many Instagram, Pinterest and home remodeling shows that focus on style as defining a room's character. The 2020 Cornerstone catalog is organized by style to make finding the perfect knob or pull a snap.

Four of the most popular styles; Mid-Century Modern, Modern, Transitional, and Contemporary comprise the selections and collections featured in the Cornerstone brochure. Iconic elements of each style are combined with our best-selling examples of that particular style of deco.
